

Healty and Safety Policy

The Magnific has adapted the policy to prioritize costumer's needs, concerning advanced technology and innovation at work place as well as health and safety regulations. For this reason, we always aim to develop our standards by following the required regulations and law while ensuring that this process is up to labour standards without compromising on health and safety regulations.

As The Magnific, it is our policy;

To reduce the possibility of work accidents and ensure a secured working environment for all employees,

To give training to all our employees in order to increase the awareness of health and safety

To make our environmental policy accessible to everyone, including public and our subcontractors,

To have a constant effort to reach organizational targets,

To ensure that previous year's target has been reached,

To ensure that health and safety regulations have been applied by everyone in the organization.

It is Board of Management Team's responsibility to follow this policy.
